

Waiver and Hold Harmless Agreement

The undersigned are the parents or guardians of \_\_\_\_\_ or are the adult participant who is participating or about to participate in Advance America Foundation Sea Quest Kids and related programs. The undersigned understands that the purpose of this program is for the participants therein to engage in hands on activity related to the marine environment, including boat building, boating and water safety, marine studies, aquatic events and related events on land, and etc.

The undersigned has agreed to take ownership and full responsibility for the boat that he or she has built and any other devices that are built in Sea Quest Kids and related programs. The undersigned, his or her heirs and assigns hereby waive any warranties, express or implied, including implied warranties as to merchantability. The undersigned and his or her heirs and assigns agree to hold Advance America Foundation and its Sea Quest Kids, related or other participating programs, and their representatives, agents, and assigns harmless from any accident, injury, or other claims arising out of the use or construction of anything in the Advance America Foundation programs and participation in any and all related activities.

It is further understood that any or all persons engaging in any activities involving time in, on, or near the water shall have completed the approved boating and water safety training advised and required by Advance America Foundation. All persons participating in the Sea Quest Kids and related programs shall wear the proper Coast Guard approved personal flotation device (life jacket) when on the water or within five giant steps of the water.

As a participant, either directly or indirectly and/or observer, in Advance America Foundation programs, I further agree to allow pictures of me, quotes and statements by me, and references to me to be used by Advance America Foundation in all media forms and for any promotion and advertising of the Foundation.
